Verse 1
Em   **G**   **Am7**
I was wasting half my life way,
         C/G   **Em**
Drinking away a Friday night
                        G   **Am7**
I donâ€™t know what else there is to say,
                     C/G   **Em**
But weâ€™re forced to say it anyway
                      G
I went straight into town,
          Am7   **C/G**   **Em**
Where I found something that I used to know.

          D   **A7**
No, No, No, No, No, No

Pre-Chorus
     G
Cos I,
(I was hoping, I was wishing for something.)
     Cadd9
Need time.
(God give me this cause at this moment Iâ€™ve got nothing)
   Asus4   **Cadd9**
As fast as you like
     Asus4   **Cadd9**
Its gonna be alright
           Asus4 **Cadd9** **D**
Just get me out of here tonight.

Chorus
G   **Cadd9**   **Asus4**   **Cadd9**
Would it really matter if Iâ€™m not around if I canâ€™t change the world,
                           G
Iâ€™d like to leave this town.
               Cadd9   **Asus4**   **Cadd9**
Would it really matter if I was here, if I canâ€™t change the world,

```
                G
I’d like to disappear
```

```
Em                  G          Am7                    C/G

Em                  G          Am7                    C/G
But I know there’s no chance I’d stay. (Chance I’d stay)
Em       G         Am7      C/G
I’ll sail away, sail away, sail away
```
