[INTRO] **Eb Cm7 G# Bb**

**Eb Cm7 G#**  
Remember how it used to be  
**Bb Eb**  
It was only you and me  
**Cm7 G# Bb**  
We didn't worry much about anything  
**Eb Cm7 G#**  
And not a dollar to my name  
**Eb Eb**  
But you loved me just the same  
**Cm7 G# Bb**  
Yeah I felt like I had everything

**Cm7**  
Holding my hand, walk down the beach  
**G#**  
I would pretend that you were my queen  
**F G# Bb**  
Even though our castle is only in the sand, yeah

**Eb Cm7 G# Bb**  
Girl we've got something that keeps reminding us  
**Eb Cm7 G# Bb**  
We don't need nothing as long as we got love  
**Cm7 G# F G#**  
Believe it, I mean it, I know we'll always have enough  
**Bb Eb Cm7 G#**  
As long as we got love, love

**Eb Cm7 G#**  
Blink your eyes and here we are

The million things about you I adore

**Cm7**

But the castles are now more than just sand

So let the rain fall cause we are gonna stay

At the end of the day the city is asleep

**G#** **F**

I m wide awake with the girl of my dreams

**G#** **F** **Bb**

And all that we ve got is the only thing I ll ever need
