[INTRO] C# Bbm7 F# G#

C# Bbm7 F#  
Remember how it used to be  
G# C#  
It was only you and me  
Bbm7 F# G#  
We didn't worry much about anything  
C# Bbm7 F#  
And not a dollar to my name  
G# C#  
But you loved me just the same  
Bbm7 F# G#  
Yeah I felt like I had everything

Bbm7  
Holding my hand, walk down the beach  
F#  
I would pretend that you were my queen  
Eb F# G#  
Even though our castle is only in the sand, yeah

C# Bbm7 F# G#  
Girl we've got something that keeps reminding us  
C# Bbm7 F# G#  
We don't need nothing as long as we got love  
Bbm7 F# Eb F#  
Believe it, I mean it, I know we'll always have enough

I m wide awake with the girl of my dreams

And all that we ve got is the only thing I ll ever need
