Lyrics:

I see the lights are turning
And I look outside the stars are burning
Through this changing time
It could have been anything we want
It s fine salvation was just a passing thought
It was just a passing thought.

Don t wait act now
This amazing offer won t last long
It s only a chance to pave the path we re on
I know there are more exciting things to talk about
And in time we ll sort it out
And in time we ll sort it out.

And though they say it s possible to me
I don t see how it s probable
I see the course we re on
Spinning farther from what I know
I ll hold on
Tell me that you won t let go
Tell me that you won t let go.

And truth is such a funny thing
With all these people
Keep on telling me
They know what s best
And what to be frightened of
And all the rest are wrong
They know nothing about us
They know nothing about us.

And though they say it s possible to me
I don t see how it s probable
I see the course we re on
Spinning farther from what I know
I ll hold on
Tell me that you won t let go
Tell me that you won t let go.

I m not alright
I m not alright
I m not alright
I m not alright.

This could be something beautiful
Combine our love into something wonderful
But times are tough I know and the pull
Of what we can t give up takes hold.
