Sea Engines

Words and music by Jay Farrar and Benjamin Gibbard from the album "One Fast Move Or Iâ€™m Gone".

Capo 3

We [**D**]calcimine feathers
[**A**] Kitchen lights on
Sea [**G**]Engines from Russia
Sea [**D**] birding here be[**A**]low
When [**D**]rocks out sea froth
[**A**] Iâ€™ll know Hawaii
My [**G**] double legged cliff
To the [**D**]stilt of a million [**A**] years
Go [**D**] on die salt light
You [**A**] billion yeared rock knocker
[**G**] Sad as wife and Hill
Loved as [**D**]mother and [**A**] fog

[**G**] Wine is salt here this [**A**] tidal wave kitchen
[**D**] Engines of Russia in [**G**] your soft talk
You ainâ€™t just whistling for [**A**] sanity
You [**Bm**]ainâ€™t just [**A**] wasting [**G**] time

[**D**]Tumble seabird dig down
[**A**]Footstep hollow weed
Accomo[**G**]dations of mind
[**A**]Crashes in [**D**] rhythm
The 5 [**D**] billion years
Since [**A**]earth we saw substantial
No [**G**] human words bespeak
Sorrow [**D**]older than this [**G**]wave
Ah [**D**]change the world
Ah [**A**]set the fee
Are [**G**] rope the angels
In [**D**]all the [A] sea

[**G**] Wine is salt here this [**A**] tidal wave kitchen
[**D**] Engines of Russia in [**G**] your soft talk
You ainâ€™t just whistling for [**A**] sanity
You [**Bm**]ainâ€™t just [**A**] wasting [**G**] time
