

Chained To A Radiator

Jay Foreman

Jay Foreman-Chained to a Radiator

G

Had a very dodgy night last night I donâ€™t remember much about it

D

And from the looks of things it looks as if I really could have gone without it

G F# Em C Dsus4 D

Started to go wrong when this girl offered me her beer

Em Bm C Dsus4 D

Then she leaned over and whispered letâ€™s get out of here

Am

Here I am hours later

D G

Chained to a radiator

G

I swear thereâ€™s something wrong about the beer it had a weird effect upon me

D

I donâ€™t know why I felt like doing everything that everybody told me

G F# Em C Dsus4 D

Sternly she looked at me and said letâ€™s go to your place

Em Bm C Dsus4 D

Iâ€™d have done just about anything for such a face

Am

But now I think I hate her

D G

Chained to a radiator

B7 Em

We both went upstairs to the bedroom and there she did something quite strange

B7 Em Em7

She took out some jangly handcuffs and said do you like playing games

Am Am7 Dsus4 D

The beer had now taken me over couldnâ€™t say no anymore

Am F D C G

She put all my stuff in her bag said thanks and walked out of the door.

G

Iâ€™ve lost all feeling in my hand itâ€™s hanging loosely like a flower petal

D

My arse is hurting and my back is feeling rigid up against the metal

G F# Em C Dsus4 D

Starting to wonder if anyone will find me here

Em Bm C Dsus4 D

Maybe should think about getting food and water near

Am

Iâ€™ll call the office later

D **G**
