

Chained To A Radiator
Jay Foreman

Jay Foreman-Chained to a Radiator

G#
Had a very dodgy night last night I donâ€™t remember much about it
Eb
And from the looks of things it looks as if I really could have gone without it
G# G Fm C# Ebsus4 Eb
Started to go wrong when this girl offered me her beer
Fm Cm C# Ebsus4 Eb
Then she leaned over and whispered letâ€™s get out of here
Bbm
Here I am hours later
Eb G#
Chained to a radiator

G#
I swear thereâ€™s something wrong about the beer it had a weird effect upon me
Eb
I donâ€™t know why I felt like doing everything that everybody told me
G# G Fm C# Ebsus4 Eb
Sternly she looked at me and said letâ€™s go to your place
Fm Cm C# Ebsus4 Eb
Iâ€™d have done just about anything for such a face
Bbm
But now I think I hate her
Eb G#
Chained to a radiator

C7 Fm
We both went upstairs to the bedroom and there she did something quite strange
C7 Fm Fm7
She took out some jangly handcuffs and said do you like playing games
Bbm Bbm7 Ebsus4 Eb
The beer had now taken me over couldnâ€™t say no anymore
Bbm F# Eb C# G#
She put all my stuff in her bag said thanks and walked out of the door.

G#
Iâ€™ve lost all feeling in my hand itâ€™s hanging loosely like a flower petal
Eb
My arse is hurting and my back is feeling rigid up against the metal
G# G Fm C# Ebsus4 Eb
Starting to wonder if anyone will find me here
Fm Cm C# Ebsus4 Eb
Maybe should think about getting food and water near
Bbm
Iâ€™ll call the office later

E♭ **G♯**

Chained to a radiator
