

Chained To A Radiator
Jay Foreman

Jay Foreman-Chained to a Radiator

A
Had a very dodgy night last night I donâ€™t remember much about it
E
And from the looks of things it looks as if I really could have gone without it
A **G#** **F#m** **D** **Esus4** **E**
Started to go wrong when this girl offered me her beer
F#m **C#m** **D** **Esus4** **E**
Then she leaned over and whispered letâ€™s get out of here
Bm
Here I am hours later
E **A**
Chained to a radiator

A
I swear thereâ€™s something wrong about the beer it had a weird effect upon me
E
I donâ€™t know why I felt like doing everything that everybody told me
A **G#** **F#m** **D** **Esus4** **E**
Sternly she looked at me and said letâ€™s go to your place
F#m **C#m** **D** **Esus4** **E**
Iâ€™d have done just about anything for such a face
Bm
But now I think I hate her
E **A**
Chained to a radiator

C#7 **F#m**
We both went upstairs to the bedroom and there she did something quite strange
C#7 **F#m** **F#m7**
She took out some jangly handcuffs and said do you like playing games
Bm **Bm7** **Esus4** **E**
The beer had now taken me over couldnâ€™t say no anymore
Bm **G** **E** **D** **A**
She put all my stuff in her bag said thanks and walked out of the door.

A
Iâ€™ve lost all feeling in my hand itâ€™s hanging loosely like a flower petal
E
My arse is hurting and my back is feeling rigid up against the metal
A **G#** **F#m** **D** **Esus4** **E**
Starting to wonder if anyone will find me here
F#m **C#m** **D** **Esus4** **E**
Maybe should think about getting food and water near
Bm
Iâ€™ll call the office later

E **A**
Chained to a radiator
