Chords Used (sorry if names aren t accurate) :

**C:** 332010

**G7:** 320000

**E:** 022100

**Am:** x02210

Intro: **C G7 E Am C G7 C**

**C** **G7**  
I have lost the will to live  
**E** **Am**  
My life to someone else I ll give  
**C** **G7** **C**  
And I ll fly much higher than I have flown before

**C** **G7**  
Because I ve rained and I ve pained (or pined) and I ve cried  
**E** **Am**  
I ve tried to run my tear ducts dry  
**C** **G7** **C**  
But I must yet to wipe you from my mind

**E** **Am**  
Oh, I ve tried chasing cars  
**E** **Am**  
I reached out for the stars  
**E** **Am** **G7** **Am**  
Upon when I wish that what you have denied me was ours  
**C** **G7** **C**  
Somewhere down the line

**C** **G7**  
You fashion me blue and green  
**E** **Am**  
My seasons won my chance, it has been  
**C** **G7** **C**  
Now I envy all the love in your life that is yet to arrive

**C** **G7**  
It will take the fun of all that I don't got  
**E** **Am**  
For failure in the ways that I have not  
**C** **G7** **C**  
Though I appear unable, I am willing to give us a shot

**E** **Am**  
So I put paper to pen  
**E** **Am**  
And from bark I'll be born again  
**E** **Am** **G7** **Am**  
Cause if I'm made from cardboard then I'm gonna check every box  
**C** **G7** **C**  
And pray that you're hard on moss

(whistling): **C** **G7** **E** **Am** **C** **G7** **C**

**E** **Am**  
Oh I'm leaving Mark Avenue  
**E** **Am**  
Something that I said I'd always do  
**E** **Am** **G7** **Am**  
I'm moving to Ariel Road (pronounced A Royal Road) to start out new  
**C** **G7** **C**  
Maybe I'll get over you

END
