VERSE:

D **G D**
Well I wrote some words for a melody
G A D
About a girl and subject equally as sweet
D G D
& I played them out on the road
G A D
But I knew bout people s faces, how they d cope
G A D G D
I think I m gonna keep my eyelids closed

Bm G D G D
Oh, I don t mind a town that s gonna keep me on my toes
Bm G A
But if I do not have a future then I think it should let me know

CHORUS:

D A
Cos I wrote all these songs
Bm F#
& if I ve been going wrong
G A D G D
I won t hold my breath to see you sing along

Well I ve been met by great acclaim
But I worry that my songs all sound the same
So I ll start a band, create a brand
And I guarantee my fan base will expand
But I d like to see how long it all withstands

Oh, I don t want to seem like a thorn in your side
And if it all withers and dies then at least I know I tried

Cos I wrote all these songs
& if I ve been going wrong
I won t hold my breath to see you sing along

Yes I wrote all these songs

& if I've been going wrong
