Where Does She Go When She Leaves Me Jay Jay Pistolet

Simple, beautiful, heartfelt song by the legend that is Jay Jay Pistolet. comments & corrections welcome.

Chords used: C, F, G, Am

VERSE:

С Е

Where does she go when she leaves me?

C F

I ve always wanted to know

C F

Is there a line that she crosses

G

Can people like me ever go?

C F

Where does she go when she leaves me?

C F

How could she leave me behind?

C F

Does it ever consume her

G

or just cross her mind?

CHORUS:

F

I bet she s never on her own

G

I bet she s never home

Am

I bet she s never stuck for things to do

C F G F C

But next time that she s leaving, I ll go too

VERSE:

Where does she go when she leaves me? How come she has so much fun? Why isn t she feeling guilty From all that she s done?

Where does she go when she leaves me? What could she possibly need? I guess I drove her away With the life that I lead

CHORUS:

I wonder what her friends are like

I guess I ll never know I bet they re all they hope that they would be So next time that you re leaving, can you bring me? C F G F C F C

Yeah, next time that you re leaving, can you bring me?
