

## Remembrance Day

Jay Malinowski

Picking s easy. Listen to the song. You ll figure it out.

**D** **G**  
The night time claims the day  
**D** **A**  
Shadows grow long where I live  
**D** **G** **D**  
I watched the sunlight dance off my water s leaves  
**A** **D**  
Fall down in vain  
**G**  
I had you on my mind  
**D** **A**  
I think I see you sometimes  
**D** **G**  
I smile when I think of that Betsy dress  
**D** **A** **D**  
And that night when we were a mess

**D** **G**  
So fade  
**D** **A**  
Fade, fade away  
**D** **G**  
I m gonna watch you fade away  
**D** **A** **D**  
Into remembrance day

I saw you standing there  
Unraveling in the autumn air  
You re gonna ask if I m dating again  
and I ll ask if you write much these days  
And you still laugh the same  
and we still laugh without shame  
but in between words, the silence ensues  
and I know, I m losing you

So fade  
Fade, fade away  
I m gonna watch you fade away  
Into remembrance day

If this is the last time we ll meet  
And it s strange how I ll never see  
Your life s familiar mystery that once unfolded for me

So fade

Fade, fade away  
I m gonna watch you fade away  
Into remembrance day  
Into remembrance day  
Into remembrance day
