

Do You Remember
Jay Sean

(capo 2ª casa)

A E

Hey! Jay Sean

Bm

Yeah! Sean Paul

Let s go ahh!

D

D

This one right here is for all the ladies

A

E

Ladies who want to take it back

(i don t know what Sean Paul said)

Bm

D

Holler at them Jay

(verse 1)

A

E

Bm

I ve been thinking about you

D

D

A

And how we used to be then

E

Bm

D

Back when we didn t have to live we could start again

(refrain)

A

There s nothing left to say

E

Don t waste another day

Bm

Just you and me tonight

D

Everything will be okay

A

E

If it s alright with you then it s alright with me

Bm

D

Baby let s take this time let s make new memories

(chorus)

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

Let s bring it back (Bring it back!)

E

Let s bring it back (Bring it back!)

Bm

Let s bring it back (Bring it back!)

D

Let s bring it back (Bring it back!)

A E Bm D

Let s bring it back

(Yo Jay Sing for these ladies!)

(verse 2)

A E Bm

So long since you ve been missing

D

It s good to see you again

A E

How how you doing

Bm

D

And how about we don t let this happen again

(refrain)

A

There s nothing left to say

E

Don t waste another day

Bm

Just you and me tonight

D

Everything will be okay

A

E

If it s alright with you then it s alright with me

Bm

D

Baby let s take this time let s make new memories

(chorus)

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

Let s bring it back (Bring it back!)

E

Let s bring it back (Bring it back!)

Bm

Let s bring it back (Bring it back!)

D

Let s bring it back (Bring it back!)

A

Let s bring it back

(verse 3) (Sean Paul)

A

E

Yo ay girl yo bring it back to the time when you and me had just begun

Bm

When I was still your number one

D

A

Well it might seem far-fetched baby girl but it can t be done

E

Bm

I ve got this feeling fire blazing and it s hot just like the sun

D

A

Know you feel it too my girl just freeze up and the good vibes run
Gal take a sip of the champagne,

E

Take a little trip down my lane my girl

(Some other stuff that he said that only he himself can understand! lol just
continue the chord pattern: **A,E,Bm,D**)

That s what I heard that s what I heard that s what I heard word girl

A

There s nothing left to say

E

Don t waste another day

Bm

Just you and me tonight

D

Everything will be okay

A

E

If it s alright with you then it s alright with me

Bm

D

Baby let s take this time let s make new memories

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

E

Bm

Do you remember do you remember do you remember

D

All of the times we had

A

Let s bring it back (Bring it back!)

E

Let s bring it back (Bring it back!)

Bm

Let s bring it back (Bring it back!)

D

Let s bring it back (Bring it back!)

A

Let s bring it back
