

**Eyes On You**  
**Jay Sean**

Eyes On You Chords by Jay Sean

Well it is sad that you guys don't know Jay Sean. anyway he is the coolest asian artist these days and is a part of the band Rishi Rich. he is a great singer n i hope people listen to his songs more n more coz they re reeli cool.

Wo-oh, wo-oh

**Am** **G**  
You can tell your girlfriend s bout me,  
**F** **E**  
It s about time to get rowdy,  
**Am** **G**  
You know I wanna work that body,  
**F** **E**  
come work it over here,  
**Am** **G**  
You can be my brown-eyed beauty,  
**F** **E**  
And I bet you see right through me,  
**Am** **G**  
You can do anything to me,  
**F** **E**  
Oh-oh

**Am**  
You re so beautiful,  
**G** **F**  
Tonight anything is possible,  
**E** **Am** **G**  
You know I just can't get enough, of your love,  
**F** **E**  
So give it up

Chorus:

**Am** **G**  
Got my eyes on you,  
**F** **E**  
Wont you bring that back to me,  
**Am** **G**  
Got my eyes on you,  
**F** **E**  
You know where I m gonna be,  
**Am** **G**  
Got my eyes on you,

**F**                          **E**  
And I see you checkin me,  
          **Am**                          **G**  
Got my eyes on you (oo-woo)  
          **F**                          **E**  
And I like what I see

**Am**                          **G**  
You can tell anyone about it,  
**F**                          **E**  
Show it off, don t need to hide it,  
**Am**                          **G**  
Come and get a little excited,  
**F**          **E**                  **Am**  
Excited over here,  
                          **G**  
Don t stop baby girl don t stop,  
**F**                          **E**  
I know you really like it when you re on top,  
**Am**                          **G**  
Don t be shy just give it up,  
**F**          **E**  
Come on girl
