

Stuck In The Middle
Jay Sean

You can put your capo on the fret that matches best with your voice... I prefer capo on 1! .. Enjoy :)

DM **AM**
I m just sitting here, tryna
G **F**
Forget bout all those years,
 DM
and I .. I can t take
 AM
the thought of him
G **F**
Alone with you (alone with you)
DM **AM**
It s been a year or so, and you
G **F**
Moved on and left me cold, and I
DM **AM**
I wish that I could let you know
 G **F**
That I still got a thang for you
DM
But you got another man
AM
He says he loves you too
G
Baby girl I understand
F
This must be hard on you
DM
And it gets so hard sometimes
AM
To know just what to do
G **C**
Stuck in the middle with you

[Chrous:]

DM
You and I

Seen it all
 AM
Sunny days

Through the storms
 G
Still I know

F

He could never love you like me

DM

Girl I know he and you

AM

G

He messed it up with it you

F

No he could never love you like me

DM

AM

Can we go back again as lovers not as friends

G

Cause I know

F

He could never love you like me

DM

Girl I ve been there before

AM

G

Time to close that open door, I know

F

That he could never love you like me

Etc. Etc. :)

I was the one you came running to
When tears would fall from what he do
Who knew that friends would become lovers
Going crazy giving my all but getting half o you
I m not half the man so tell me what to do
Never gonna let you go, no
Cause you know our love is true

Babe you got another man
But he s not there for you
Baby girl I understand
But this ain t all on you
And it gets so hard sometimes
To know just what to do
Stuck in the middle with you

[Chorus:]

You and I
Seen it all
Sunny days
Through the storms
Still I know
He could never love you like me
Girl I know he and you going new
He messed it up with it all
No he could never love you like me
Can we go back again as lovers not as friends
Cause I know
He could never love you like me

Girl I ve been there before
Time to close that open door, I know
That he could never love you like me

I know
That you will never find another love like
Me and you can look but won t find another man like
Me and even though you might have seperated from me
Gotta make a choice can t wait forever

[Chorus:]
You and I
Seen it all
Sunny days
Through the storms
Still I know
He could never love you like me
Girl I know he and you going new
He messed it up with it all
No he could never love you like me
Can we go back again as lovers not as friends
Cause I know
He could never love you like me
Girl I ve been there before
Time to close that open door, I know
That he could never love you like me
