Tabbed by Zack Feldman

Bb **Am**

Once you have found her,

Gm **F**
Never let her go.

Bb **Am**

Once you have found her,

C **Bb**
Never let her go.

F **Fmaj7**

Some enchanted evening

C
You may see a stranger,

F
you may see a stranger

Bbm **Gm**

Across a crowded room

Fadd9 **Gm** **C7**

And somehow you know,

A **Dm**

You know even then

Bb **Gm**

That somewhere you'll see her

C **F**

Again and again.

F **Fmaj7**

Some enchanted evening

C
Someone may be laughin ,

F
You may hear her laughin

Bbm **Gm**

Across a crowded room

Fadd9 **Gm** **C7**

And night after night,

A **Dm**

As strange as it seems

Bb **Gm**

The sound of her laughter

C **F**

Will sing in your dreams.

F **Fmaj7**

(Some enchanted evening)

C

(You may see a stranger),

F

Ooooooooooh

Bbm **Gm**

Across a crowded room

Fadd9 **Gm** **C7**

Then fly to her side,

A **Dm**

And make her your own

Bb **Gm**

Or all through your life you

C **F**

May dream all alone.

Bb **Am**

Once you have found her,

Gm **F**

Never let her go.

Bb **Am**

Once you have found her,

C **Bb** **F**

Never let her go!

From that **F**, play over first verse and fade out
