C

You and me, we've

seen these things, there's a

demon here at the

table, if that's how you

Am

are, if that's how you

are, yeah

C

Me and you, through

hell we grew, there's an

angel too, I can

see right through, that's who you

Am

are, that's who you

are, and

C

Oh the lives of their ghosts, they're just

sleeping in through key

Am

holes

F

G

Am

They won't vie for love anymore,

They won't vie for love

C

We're just two dumb kids on a rocket ship

Am

We re a world away from what we re fighting for

C

And when we die we will see these things

Am

It ll be too late - we ll be out in space

F

G

Am

We won t vie for love anymore,

We won t vie for love

C

We re just two dumb kids on a rocket ship

Am

We re a world away from what we re fighting for

C

And when we die we will see these things

Am

It ll be too late - we ll be out in space

F

G

Am

We won t vie for love anymore,

We won t vie for love anymore,

F

Gm

Am

We won t vie for love... anymore...
