

For you
Jay Wheeler

Intro x2: **A C#m D**

A **C#m**
Hey love i remember u and

D
You forget about me

A
To be straight up
Your love made me

C#m **D**
change who i used to be

A
But that another story and I

C#m **D**
Don t want another sorry

A
You said you re doing better

C#m **D**
But you re not as far as I can see

A **C#m** **D**
I blame it all on you you you you 2x

A
I never know no
C#m
When love is real

D
You used to lie to me
Now how you feel

A
I let you go
C#m
But you never will

D
When it came to us
I was the one who kept it real

A **C#m**
Love letters, movie nights

D
Time flies but my love
Put my love in 3 flights

A **C#m**
Without you everything I alright

D
But then you left me

A C#m D

I blame it all on you you you you 2x

A C#m D

I blame it all on you you you you 2x
