Capo : 0

Tuning : Normal Tuning

F **C**

Iâ€™m at a payphone trying to call home

Am **G**

All of my change I spent on you

F **C**

Where have the times gone

Am **G**

Baby itâ€™s all wrong, where are the plans we made for two?

F **C**

Yeah, I, I know itâ€™s hard to remember

Am **G**

The people we used to be

F **C**

Itâ€™s even harder to picture

Am **G**

That youâ€™re not here next to me

F **C**

You say itâ€™s too late to make it

Am **G**

But is it too late to try?

F **C**

And in our time that you wasted

Am **G**

All of our bridges burned down

F

Iâ€™ve wasted my nights

C

You turned out the lights

Am **G**

Now Iâ€™m paralyzed

F **C**

Still stuck in that time when we called it love

Am **G**

But even the sun sets in paradise

repeat with the same chord

Iâ€™m at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong, where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of sh*t
One more stupid love song Iâ€™ll be sick

You turned your back on tomorrow
Cause you forgot yesterday
I gave you my love to borrow
But just gave it away
You canâ€™t expect me to be fine
I donâ€™t expect you to care
I know Iâ€™ve said it before
But all of our bridges burned down

Iâ€™ve wasted my nights
You turned out the lights
Now Iâ€™m paralyzed
Still stuck in that time when we called it love
But even the sun sets in paradise

Iâ€™m at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby itâ€™s all wrong, where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of sh*t
One more stupid love song Iâ€™ll be sick
