С

You turned out the lights

Am G

F

Still stuck in that time when we called it love

Am C

But even the sun sets in paradise

repeat with the same chord

Iâ \in mm at a payphone trying to call home All of my change I spent on you Where have the times gone Baby itâ \in ms all wrong, where are the plans we made for two?

If happy ever after did exist
I would still be holding you like this
All those fairytales are full of sh*t
One more stupid love song I'll be sick

You turned your back on tomorrow
Cause you forgot yesterday
I gave you my love to borrow
But just gave it away
You can't expect me to be fine
I don't expect you to care
I know I've said it before
But all of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time when we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby it's all wrong, where are the plans we made for two?

If happy ever after did exist I would still be holding you like this All those fairytales are full of sh*t One more stupid love song I'll be sick
