

Never Be Daunted

Jaymay

Jaymay - Never Be Daunted

Standard tuning

Capo 5

*F7/C or whatever you call it looks like this: 033210

V1:

C

What are you so afraid of? Why you feeling scared?

Am

What s the worst that s gonna happen?

C

Standing in the moonlight I can tell you feel doomed

Am

G

Though nothing is wrong, no nothin

F

C

You say maybe a crane will fall from the sky

F

Em

G

C

G

Maybe a dove will dive and die before your eye

Chorus:

F

It s too early to say

C

It s too early to say goodnight, goodnight

F

It s too early to read

C

G

***F7/C**

It s too early to read by the firelight

V2:

C

What re you so afraid of? Why you feeling scared?

Am

What s the worst that s gonna happen?
