A **F#m**
I never know if you re serious
A **F#m**
It s all so vague and mysterious
Bm
With me and you
E
Just when I think we re on solid ground
Bm **E**
You pull the rug out and knock me down

A **F#m**
Are you just trying to play with me?
A **F#m**
Do you get joy from my misery?
Bm
I d like to think
E
It s just a phase and we ll work it out
Bm **E**
But you keep jerking my heart around

A **C#m**
Now I ve caught a classic case of love whiplash
F#m **D**
You push me off and then you pull me back
A **C#m**
Please could you tell me if you re being sincere
F#m **D**
Cause darlin I can t stand to cry another tear

A **F#m**
I m losing count of the damages
A **F#m**
My heart is covered in bandages,
Bm
it s what you do
D
I m not so hard to accommodate
Bm **D**
Just get a clue or get on your way

A **C#m**
Cause now I ve caught a classic case of love whiplash

F#m **D**
You push me off and then you pull me back
A **C#m**
Please could you tell me if you re being sincere
F#m **D**
Cause darlin I can t stand to cry another tear

Bm **A**
It s not a long conversation
Bm **F#m** **C#m** **D**
Don t want to waste all your precious time
Bm **A**
It s not a difficult equation
Bm **A** **E**
A simple yes or no will do fine

A **C#m** **F#m** **D**
Cause I ve got a bad case of love whiplash
A **C#m** **F#m** **D**
Now I ve caught a bad case of love whiplash
D
Yeah, now, now, now,

A **C#m**
Now I ve caught a classic case of love whiplash
F#m **D**
You broke my heart and now you want it back
A **C#m**
Please could you tell me if you re being sincere
F#m **D**
Cause darlin I can t stand to cry another tear

A **C#m** **F#m** **D**
Now I ve caught a bad case of love whiplash, oh, oh
A **C#m** **F#m** **D**
Now I ve caught a bad case of love whiplash!
