Jayme Dee

This is my first tab, one a really great song from the Hunger Games Album, I m sorry if this isn t very accurate, this is my first time trying to figure out a tab so I hope you like it. :) Oh, and please rate.

Rules- Jayme Dee

Intro and Verse:

G Em G Em Am G Am D7

Verse 1:

You say you know love, but you are just reflecting words you hear,

G

Em

No iron in your veins could give you any sense of pain or fear,

G

Em

It s just another lie, it s just another calculation,

Am

G

And when the power s out, we re just another old sensation,

Am

D7

Verse 2:

This blood keeps me alive, but what is it that runs through you?

G

Em

Electricity and wires dictating everything you do,

G

Em

You tell me that you need me and all your memories are real,

Am

G

But how do I know you don t just feel what you ve been told to feel?

Am

D7

Chorus:

We run around the rules, we run around the rules, we run around the rules, round and round, two

Am

G

Am

By two, we run around the rules.

D7

Verse 3:

There s water in your eyes, and I m the reason that it s there,

G

Em

But still I don t feel bad because I know it s you are more a spare,

G

Em

And just behind your eyes are switches that can turn back on,

Am

Em

To clear away today til all your memories are gone,

Am

D7

[Chorus x2]
