

## Dark Star

Jaymes Young

Sounds pretty good power all Using the F power chord style only 3 Chords.

Strum pattern: Make one up! I preferred picking the base string by itself followed by whole strums.

**F#** **A** **B**  
Iâ€™ve looked a long time to find you  
**F#**  
I drifted through the universe  
**A**  
Just to lay  
**B**  
Beside you  
**F#** **A** **B**  
Anywhere you want me to take you, Iâ€™ll go, yeah  
**F#** **A** **B**  
But thereâ€™s things about me that you just donâ€™t know

**F#**  
If I told you where Iâ€™ve been  
**A** **B**  
Would you still call me baby?  
**F#**  
And if I told you everything  
**A** **B**  
Would you call me crazy?  
**F#** **A** **B**  
Cause baby Iâ€™m a dark star, dark star, ohh (x2)
