

**We Wont**

**Jaymes Young**

**C**

Don t go to war for me

**F**

I m not the one that you want me to be

**Am**

Don t call me up at 2 a.m. tonight

**G**

It feels so damn good and I wish you would

**C**

Are we just gonna stay like this forever, floating

**F**

I m serious, my heart is furious

**C**

Cause I m so confused when we re together

**F**

Feels like I m choking, these emotions

I know I m gonna let you down

So don t hold your breath now

**C**

Bittersweet in your mouth

Can you stomach the doubt?

**F**

I wish I could say what I m feeling

I m scared to let these words out

**C**

Don t go to war for me

**F**

I m not the one that you want me to be

**Am**

Don t call me up at 2 a.m. tonight

**G**

It feels so damn good and I wish you would

**C**

And don t cry no more for me

**F**

Don t waste your time convincing me

**Am**

That maybe someday we ll get it right

**G**

Cause we never could, I wish that we would

**C**

But we won't, so just don't

We won't, so just don't

**F**

But we won't, so just don't

**G**

Don't

**C**

I can't trust you

Baby, cause I don't want to

**F**

This isn't fun anymore

Never hurt like this before

Broken dishes on the floor

**C**

Hearts exploding

Tell me why I'm still holding

**F**

Onto the love that we've been breaking

Damn, I thought we'd make it

No other way to say it

Don't, don't, don't

**C**

Don't go to war for me

**F**

I'm not the one that you want me to be

**Am**

Don't call me up at 2 a.m. tonight

**G**

It feels so damn good and I wish you would

**C**

And don't cry no more for me

**F**

Don't waste your time convincing me

**Am**

That maybe someday we'll get it right

**G**

Cause we never could, I wish that we would

**Dm\***

**C\***

**G\***

We burn faster than a cigarette in my mouth

**Dm\***

**C\***

**G\***

I know it hurts, but baby, we can't stop now

**Am\***

**G\***

Baby, we can't stop now

**C**

Don't go to war for me

**F**

I'm not the one that you want me to be

**Am**

Don't call me up at 2 a.m. tonight

**G**

It feels so damn good and I wish you would

**C**

And don't cry no more for me

**F**

Don't waste your time convincing me

**Am**

That maybe someday we'll get it right

**G**

Cause we never could, I wish that we would

**C**

But we won't, so just don't

We won't, so just don't

**F**

But we won't, so just don't

**G\***

Don't

Don't

Don't

Don't
