Bm
I bust the windows out your car
D
And no it didn t mend my broken heart
G
I ll probably always have these ugly scars
F
But right now I don t care about that part

Bm
I bust the windows out your car
D
After I saw you laying next to her
G
I didn t want to but I took my turn
F
I m glad I did it cause you had to learn

[Chorus]

Bm
I must admit it helped a little bit
D
To think of how you felt when you saw it
G
I didn t know that I had that much strength
F
But I m glad you see what happens when

Bm
You see you can t just play with peoples feelings
D
Tell them you love them and don t mean it
G
You probably say that it was juvenile
F
But I think that I deserve to smile
