[Chorus]

Lions Tigers And Bears Jazmine Sullivan

```
I m not scared of lions and tigers and bears [oh my]
Am
But I m scared of [loving you]
Gm7
I m not scared to perform at a sold out affair [that s right]
Am
      Вb
But I m scared of [loving you]
(Gm7)
Am I the only one who thinks it s an impossible task?
             Αm
Why it don t last? Is that too much to ask?
Gm7
                                                 Am Bb
Why do we love Love, when Love seems to hate us? [Oh oh]
[Verse]
Gm7
Sorry if I sound so filled with gloom
You say you care and I know you do
But this is from my experience
                   Am
And my conclusion only makes sense
Gm7
Just cause I love u and u love me,
                      Αm
It doesn t mean that we re meant to be,
Gm7
I can climb mountains, swim cross the seas,
                                Αm
But the most frightening thing is you & me!
[CHORUS]
[VERSE]
That s all I ve got for now. I m not sure about the bridge. Maybe i can amend it
when I figure it out. Hope it fits right xx
