G **D**
Home alone the other night I got to drinkin' and a thinkin'
Am **C**
Bout the women of this old world
G
Well I've known quite a few but between me and you
Am **C**
I ain't never met the perfect girl
G **D**
They either ain't that fun, or way too young
Am **C**
or they ain't gotta like of sense
G **D**
I don't know if she exists but I'm making up a list
Am **C**
that I'm checkin em all against
D
Well she's gotta be 5 foot 11, smells like heaven
G **G/F#** **Em** **C**
She was born in 86 or maybe 87 she got,
G **D**
full intentions of getting her Ph.D
C **D**
She got a big ole dually, a countryfied booty
G **G/F#** **Em**
She's a certified bonafide cold blooded cutie

Am **D**
If anybody knows where the perfect girl might be

G

won't you tell her bout me

C **G**
won't you tell her bout me

I don't mean to sound picky but relationships are tricky
and I'm lookin for a perfect fit
I wanna smoking hot honey with a whole lotta money
whose favorite thing is sharing it
Well you can't really miss her
hell she may be your sister but whoever she might be
You'd be a real life saver if you'd do me one favor
and put in a good word for me

She's gotta be 5 foot 11, smells like heaven, she measures 36-24-37
She got full intentions of financially supporting me
She got a big ole dually, a countryfied booty
And she don't get mad when I watch dirty movies
If anybody knows where the perfect girl might be
won't you tell her bout me

Am **C**
You can tell her that I'm all alone
G **C** **D**
and to call me if she would

Am **C** **G** **C** **D**
You can tell anything, as long as it's all good

But she's gotta be 5 foot 11, smells like heaven
let's me do what I want to 24/7
She got, full intentions of letting me be me
And you know she got a big ole dually, a countryfied booty
And she thinks cleanin house is a woman's duty
If anybody knows where the perfect girl might be
Won't you tell her bout me
