

Slow Down

J.B. Lenoir

Artist: J.B. Lenoir (http://en.wikipedia.org/wiki/J._B._Lenoir)

Song: Slow Down

Tabber: Andrew Biles

This is a really stripped down way to play the song. If you've played a bit of blues the chord variations (e.g. 0,2,x,x,x,x to 0,4,x,x,x,x) and licks should be relatively easy to hear fill in.

Standard tuning - Capo 5

(chords indicate shape - E and A are open, without capo they would be A and D respectively)

E

Slow down

B

Slow down

E **A**

Let me step on board

E

I just wanna ride your train

B

just before I gone

E

You about the sweetest

B

little girl

E **A**

I believe I ever seen

E

and if I had you by my side

B

you would mean so much to me

E

I m a stranger

B

I m a stranger

E **A**

and I will not be here long

E

if you just let me ride your train

B

I don t think it will be not long

E

slow down

B

slow down

E

A

please ma m let me step on board

E

just let me ride your train

B

just before I gone
