

## Going Back Home

JBM

Artist: JBM

Song: Going Back Home

Tabbed by: Vance Berisford

Capo on 2, all chords relative.

This is a pretty simple song, aside from the variations on A.

Chords used:

**B\*** - x24400

**A\*** - During the outro, alternate Asus4 (x02200) and A

**E** - sometimes fill in with this - 022200

**E**

My back to the seat

**G#m**

As the lights become weak

**A**

I pull down the blinds

**B\***

That shutter my mind

**E**

For a week

**E**

The faces I see

**G#m**

The friends I don't keep

**A**

And the old folks that

**B\***

**E**

Start dying in their sleep

**E**

And I wish I could speak

**G#m**

To say something unique

**A**

**B\***

To give you the comfort

**E**

That you seek

**Am** **E**

Ooh, my love

**Am**

**B\***

In the ways that you need me I m coming back

**Am**

**E**

But ooh, my love

**Am**

**B\***

It s the ways that you need me that make me want to run

Etc.

**E**

Is the bitter sweet?

**A\***

Is it pain that you need?
