[Verse]
Holly
She really makes the season jolly
Decked divnely head to toe
Lovely green and scarlet bows
Holy me, oh my, oh golly
[Chorus]
Oh, when the snow starts a falling and ir covers up the town
It s such a cozy fire when that holly hangs around
What a lucky lucky boy
A holiday with Holly, Carol, Candy, and Joy
D
Candy
Sweeter than a sip of brandy
Peppermint and buttered rum
Tempting as a sugar plum
Cooler than a summer shandy
[Chorus]
Oh, when the snow starts a falling and I crave a sugar fix
She s so confectionary Candy s always in the mix
What a lucky lucky boy
A holiday with Holly, Carol, Candy, and Joy

A lovely song upon her lips
tempo rises and it dips
Dolled up in her gay apparel
[Chorus]
Oh, when the snow starts a falling and the nights are so long
Carol sends me when she s singing all those old fashioned songs
What a lucky lucky boy
A holiday with Holly, Carol, Candy, and Joy

Joy
Bright and sunny if it s snowy
when there s a frown upon my face
Detective joy is on the case
Shiny like a brand new toy
[Chorus]
Oh, when the snow starts a falling in that chilly lime of year
Joy is overflowing with a heap of Christmas cheer
What a lucky lucky boy
