[Verse 1]

**Am** **G**  
I hang around where the music is playing

But nothing ever fills this empty space

Only one thing stirs up more than music in me

[Chorus]

Jubilee  
**C**  
Why you gotta strike me down  
**Am**  
I shatter into pieces when you come around  
**F**  
Could you ever feel the same  
**G**  
You were always stronger than me

Jubilee  
**C**  
When you sip that glass of wine  
**Am**  
Swinging in the party lights and feeling fine  
**F**  
When your buzzing like a bee

Think of me Jubilee
