

Sparks Are Gonna Fly

JD

Intro: **B,E**

B

You had me strugglin wonderin from the first look

E

Gave me a week-end smile and that was all it took

B

F#

to light a fire... inside of me

B

Took a second to wake up and get my courage up

E

Kinda crazy confused but I was sure enough

B

F#

You are the girl... of my dreams

E

F#

Pre-Chorus: We ve got nothing to lose just me and you

B

What are we waiting for?

Come on let s go!

B

Chorus: We got, we got everything we need

E

We are, we are ready to believe

F#

Cause the time is right

E

Sparks are gonna fly

B

We got, we got got it figured out

E

We are, we are we re gonna run this town

F#

Take my hand tonight

E

(mute)

Sparks are gonna fly

Sparks are gonna fly

Whoa (x5)

sparks are gonna fly

Whoa (x6)

B

Infiltrating, invading my heart and in my brain

E

Every one or two seconds I think I ll go insane

B

F#

Check my pulse... I can barely breathe

B

Feel like an insomniac with all the sleep I lost,

E

And my Temperature s rising I just can t shake it off,

B

F#

But I know...It s just chemistry

(Pre-chorus)

(Chorus)

(slows down now)

B

Promised I will give you everything

B

Show you something that you ve never seen

E

F#

Tonight I ll be by your side

(speeds up again)

(chorus)(first section is acapella)

Whoa (x5)

sparks are gonna fly

Whoa (x6)

Sparks are gonna fly
