Tabbed by Andrew Garratt

Attention . It is pretty mellow and an awesome song. I couldn t work out the order of all the parts as there are so many and some are playing at the same time as others. You will just have to listen to the CD to find out the order of parts. Sorry.

 - LYRICS -  
 \_\_\_\_\_

To make so many men hate you  
 You think your right but say your wrong  
 They ve been hassling you for way too long

Goin out and think you are strong  
 Goin out was going too far  
 Goin out expressing your point of view

To make so many cops want you  
 They think they re right you say their wrong  
 They ve been hassling you for way too long

Goin out and think you are strong  
 Goin out was going too far  
 Goin out expressing your point of view  
 Point of view

Well I don t want to fake it  
 But I know your gonna make it  
 But you don t have to take it all....
