You say you re on it but you just don t know
You re spending money like you re on death row
You must be miseducated by all the guys that you ve dated
You think I ll take the bait but I don t think so

Oh oh

Am I heading for a car crash

Oh oh

Just about to meet my match

She takes the oh oh

I m about to fall in head first

Sisters let me tell you how it works

Hey!

Em

She s got her lipstick on

Here I come da da dum

She s got her lipstick on

Hit and run then I m gone

And check my collar, collar, eh eh eh

And check my collar, collar, eh eh

I come on over see what I could find

No appetite for delusion

How could I win when I m losing

You re saying yes when it is no, no, no, no

Oh oh

Am I heading for a car crash

Oh oh

Just about to meet my match

She takes the oh oh

I m about to fall in head first

Sisters let me tell you how it works

Hit and run then I m gone

And check my collar, collar, eh, eh eh
