

Luminous
Jedward

G
We see the day,
D C
Trying to fight it,
G
It s all in vain,
D C
Cause we know the night wins,
Em
But we don t care,
D C
We ll light it up like a flare
G
It s so unreal,
D C
The light that you re shining,
G
You make me feel like
D C
The darkness won t matter
Em
Cause you and I
D C
Don t care where the day is gone.
G D C
We don t need the break of dawn
G D C
We don t need the break of dawn.

Em
And I will always know where you are,
G
Cause I can see you glow in the dark,
Am Bm
We got the stars and moon in us,
C D
We re always gonna be luminous.
Em
And I will always know where you are,
G
Cause I can see you glow in the dark,
Am Bm
We got the stars and moon in us,
C D G
We re always gonna be luminous.

Ain t gonna miss it.

Em D C

Cause you and I don t care where the day is gone,

G D C

We don t need the break of dawn.

Em

And I will always know where you are,

G
