

What It Feels Like
Jedward

Hey! This is my first tab so please bare with me :) tell me when something wrong
with my chords okay? Enjoyyyyyy!

[1st verse]

C **F**
Summer came and went, and now itâ€™s gone.
The leaves are falling down
C
Itâ€™s like everyone but me
F
Is moving on.
But I donâ€™t wanna say goodbye **Am**
G **F**
To the time that we had,
Am
Now itâ€™s a photographic and I,
G **F**
Finally understand

[Chorus]

C
What it feels like when
G
It ends, when she slips through your head
F
The second youâ€™ll find out that itâ€™s over
G **C**
And that youâ€™ll never get to hold her again.
G
Cause sheâ€™s gone and you canâ€™t fix whatâ€™s been thorn
F **G**
And it just keep on getting colder inside
Am **G** **F**
Now I know what it feels like.

[2nd verse]

C **F**
I was always on the outside looking in,
Standing on the side lines,
C **F**
Till she found a way under my skin
I felt that it was magical. **Am**
G **F**
But a change with the world

Until you lose the one you want **Am**

G F
Youâ€™ll never know how much it hurts.

[Chorus]

C
What it feels like when

G
It ends, when she slips through your head

F
The second youâ€™ll find out that itâ€™s over

G C
And that youâ€™ll never get to hold her again.

G
Cause sheâ€™s gone and you canâ€™t fix whatâ€™s been thorn,

F G
And it just keep on getting colder inside

Am G F
Now I know what it feels like.

[Bridge]

Am G F
Now I know what it feels like
When sheâ€™s with someone else

Am
And you drowned in so fast in regret

G F G
And it feels like youâ€™re just frozen inside, Oh.

Am G F
Now I can say I understand.....

[BACK TO CHORUS AND REPEAT IT 2X]

Am G F
I know, yeah!

End with **C** :)
