Jeff Bates

(Spoken)

(D) Hey baby, (C) I guess you re wondering what I m doing (D) home so soon
(C) Naw, I ain t sick.

(D) It s just this morning (C) when you told me
You didn t feel like you were the most (D) important thing
in my life, anymore (C)

Well that broke my (D) heart, so I had to turn (C) around
And come (D) back and tell you what I m gonna (C) do about it (D)

(No Chord) I m gonna light the bedroom (C) candles
(D) Take the phone out of the (Em) wall
We can lay around and talk for (C) hours
(D) Or maybe we won t talk at (Em) all
I m gonna resurrect (G/B) the (C) love
That slipped away from (D) us
And the man that you ve been (Em) missin
Startin with some (C) long, (D) slow, (Cadd9) kisses

(Spoken)

(D) I just wanna let you know how (C) ashamed I am
For making you (D) feel that way
(C) Darlin I m so sorry - I (D) guess I ve just been spendin
too much on (C) making a living and (D) way too little on making love
(C) But if you can just find it in your heart to forgive (D) me
(C) Girl, I swear from this moment on. (D) You ll always know where
you (C) stand with (D) me

(No Chord) I m gonna light the bedroom (C) candles
(D) Take the phone out of the (Em) wall
We can lay around and talk for (C) hours
(D) Or maybe we won t talk at (Em) all
I m gonna resurrect (G/B) the (C) love
That slipped away from (D) us
And the man that you ve been (Em) missin
Startin with some (C) long, (D) slow, (Cadd9) kisses

What really matters (C) most
Is you and me this (D) close
Feeling no (Em) distance
Sharin some (C) long, (D) slow, (Cadd9) kisses
Sharin with some (C) long, (D) slow, (Cadd9) kisses
