Going down a bumpy hillside,

In your hippy hat

Saying everything is groovy,

When your tyres are flat

And it s Hi Ho Silver Lining,  
**Eb F F7**  
Anywhere you go now baby

I see your sun is shining,

Though it s obvious

Only nothing s for free  
**Bb**  
Lies are gonna get you some day,

Just wait and see  
**G#** **Eb**  
So open up your beach umbrella,  
**Bb** **F** **F7**  
While you re watching TV

And it s Hi Ho Silver Lining,  
**Eb** **F** **F7**  
Anywhere you go well baby
