[Verse 1]

G
You re everywhere and nowhere baby,
C
That s where you re at
F **C**
Going down a bumpy hillside,

In your hippy hat
G
Flying across the country,
C
And getting fat
F **C**
Saying everything is groovy,
G **D** **D7**
When your tyres are flat

[Chorus]

G **G7**
And it s Hi Ho Silver Lining,
C **D** **D7**
Anywhere you go now baby
G **G7**
I see your sun is shining,
C **D**
But I won t make a fuss,
C **G**
Though it s obvious

[Verse 2]

G
Flies are in your pea soup baby,
C
They re waving at me

F **C**
Anything you want is yours now,
G **D**
Only nothing s for free
G
Lies are gonna get you some day,
C
Just wait and see
F **C**
So open up your beach umbrella,
G **D** **D7**
While you re watching TV

[Chorus]

G **G7**
And it s Hi Ho Silver Lining,
C **D** **D7**
Anywhere you go well baby
G **G7**
I see your sun is shining,
C **D**
But I won t make a fuss,
C **G**
Though it s obvious
