Ev rybody knows

**F G**  
That Baby s got new clothes

But lately I see her ribbons and her bows

Have fallen from her curls

[Chorus]

**C Em Dm F**  
She takes just like a woman, yes she does  
**C Em Dm F**  
She makes love like a woman, yes she does  
**C Em Dm F**  
And then she aches just like a woman  
**G7sus4 G7 G7sus2 G7 C**  
But she breaks just like a little girl

[Verse]

**C F C G**  
Queen Mary, she s my friend

**C F C G**  
Yes, I believe I ll go see her again

**F G**  
Nobody has to guess

**F G**  
That Baby can t be blessed

**F Em Dm C G7**  
Till she sees finally that she s like all the rest  
**Am C F**  
**G7 G7sus2 G7**

With her fog, with her amphetamine and her pearls

[Chorus]

**E**

It was raining from the first

And I was dying there of thirst

**C**

**Csus4 C**

So I came in here

**E**

And your long-time curse hurts

But what s worse

**F**

Is this pain in here

**G7sus4 G7 G7sus2 G7**

I can t stay in here

**G7sus4 G7 G7sus2 G7**

Ain t it clear that

I just don t fit

Yes, I believe it s time for us to quit

And when we meet again

Introduced as friends

Please don t let on that you knew me when

I was hungry and it was your world

**C Em Dm F**

You take just like a woman

**C Em Dm F**

And you take just like a woman, yes you do

**C Em Dm F**

And you make love like a woman, yes you do

**G7sus4 G7 Gsus2 G7**

And then you ache just like a woman

But you break just like a little girl

Enjoy!
