Emadd9 (etcâ€¦|)

Ooh, turn your head away

From the screen, oh people

It will tell you nothing more
Donâ€™t suck the milk of flaccid Bill K.
Publicâ€™s empty promise
To the people that the public can ignore

This way of life is so devised
To snuff out the mind that moves
Moving with grace the men despise
And women have learned to lose

Throw off your shame or be
a slave to the system

I see you take another drag
One more lost soul to raise your flag
The sky is a landfill
I see you take another drag
Letâ€™s see you take another drag

A(II)

You like to dance to the rolling

G#

Head of the adulteress

B5

F#5 E5

You sing in praise of suicide

A(II)

We know youâ€™re useless

G#

B5

F#5 E5

Like cops at the scene of the crime

A(II)

With your steroids and your feedbag

C5

And your stable and your trainer

C#(b9)

Bb5

A(II)

I got a mail bomb for you Mister Strong Arm.

E7

Throw out the stones from all the cemetery homes

Bmadd13- G/B etc.

For the violence of a nation gone by

Or the politics of weakness
And the garbage dump of souls
That will now black the sky

Their yellow haze and crowds of eyes
Will plug up the mind that moves
Moving with grace the men despise
And women have learned to lose
Weâ€™ll share our bodies
In disdain for the system

Oh, I see you take another drag

One nation bends to kiss the hag
The sky is a landfill
I see you take another drag
I see you take another drag
I have no fear of this machine!
