

**Yard Of Blonde Girls**  
**Jeff Buckley**

**G**

Through the yard

**C Am**

Through the yard of blonde girls, oh

**G**

Through the river and the sea

Gold sharks glittering

**C**

A tree of white

**Am**

Breaks the earth

**C**

The streets where lola played

**D**

**G**

Very sexy, very sexy, okay, okay

**C**

**Am**

**C**

**G**

Fear, we may come, oh x4

**C**

**G**

So run, run, run, run, run, run, run.

**G**

Itâ€™s in your heart

**C Am**

Itâ€™s in your art, your beauty

**G**

Even in this world of lies

Thereâ€™s purity

**C**

Youâ€™ve got innocence

**Am**

In your eyes

**C**

Even in this world of lies

**D**

**G**

Youâ€™re still hopeful, very sexy, okay, okay

**C**

**Am**

**C**

**G**

Fear, we may come, oh x4

**C**

**G**

So run, run, run, run, run, run, run.

**G**

Through the yard

**C Am**

Through the yard of blonde girls, oh

Through the river and the sea  
Gold sharks glittering
