Night comes and I need someone to take me home

A **B** **E**
I m a year s supply of words for no one else

B **C#m**
But I m tired now of offering

A **B** **C#m**
Words that you would never understand

A **B** **E** **B**
Like a dark day, and a cold hand

E **B** **C#m**
How it s turned on me again somehow

A **B** **E**
And my friends that really were aren t really now

B **C#m**
And I m hearing things so quietly

A **B** **C#m**
You hold just what you have right over me

G#m **C#m** **G#m** **A** **B** **E B C#m B A**
Like your whole life, and how it comes right back to mine, oh

B **E** **B** **C#m** **B** **A**
Haven t I done this all before?

B **E** **B** **C#m** **B** **A**
Maybe I have, I m not sure

B **C#m** **G#m**
But never again will I be left under the open air

C#m G#m A B E B C#m B E
I waited around for you to be there

B C#m
I won't believe that it's so far away

A B E
And I don't sleep now at night but through the day

B C#m
And you'll ask me why so honestly

A B C#m
But I don't think it's something that I can see

G#m C#m G#m A B E B C#m B A
Like an old friend, turning now then once again, oh

B E B C#m B A
Haven't I done this all before?

B E B C#m B A
Maybe I have I'm not sure

B C#m Gm
But only today will you still keep inside what I have said

C#m G#m A B F#m
It's something new for you to forget

C#m
So I'm not making any plans

A E G#m
And where would I begin?

C#m
But I'm doing so much better than

A B
So I think you should know

But it all was done so easily

A B C#m
I m still not sure where I m supposed to be

I waited around for you to be there

Someone that you should have known
