We Lift High The Name Above Every Name
Jeff Johnson

Verse:

```
G#                          C#                  G#
The power to save is held within your hands
G#                      C#              G#
Mountains rise and fall with one command
G#            Fm
Now we sing again and again
C#                      C#            Eb    G#
So let it rise and blessed be your name
```

Chorus:

```
G#                          C#                 G#      G#    Eb
We lift high the name above every name, Jesus
Fm                              C#
for all that you ve done, for all of your love
C#         Eb        G#
Blessed be your name
G#                      C#                 G#      G#    Eb
We lift high the name above every name, Jesus
Fm                    C#
You died, you rose, your coming again
C#         Eb        G#
Blessed be your name
```

Bridge: (x3)

```
G#                      C#
You are greater, you are stronger
G#                    Eb
You have opened heaven s door
G#                  C#
you are savior, here in power,
G#                Eb
and you reign forever more
```
