INTRO:

**Hm F# G A Hm F# G A**  
Got a letter from a messenger and I read it when it came.

**Hm F# G A Hm F# G A**  
It said that you where wounded, you where bound in chains

**D G A D A**  
**B**  
And you were loved, you were handled you were poisoned, you where pained.

**Hm F# G A Hm F# G A**  
Oh no, you where naked you where shammed.  
You could almost touch Heaven, right there in front of you.  
Liberty just slipped away on us, And there so much work to do.

**D G D A B**  
Oh a door that closes tightly, is a door I cant swing wide.

**Hm F# G A D**  
Oh nooo Oh nooo, im not expecting to collide.

**G E D**  
For a minute I let my gaurde down, not afraid to be found out.

**F#m G A D Bb Hm**  
Completely forgotten dear, what our fears where all about. Oh no

**Hm F#m G A**  
Oh no dear, there's no need to be without...  
I swear to god baby, there's no need to be without  
If I could ask you this, Just for a while, just for a while

Just for some time to clear our minds, just for a while

Why dont we go, somewhere only we know?

Why dont we go, somewhere only we know?

Why dont we go, somewhere only we know?

**D Dmaj7 E D Dmaj7 E**

Verse:

**D Dsus2**

i walked across an empty land

**E A**

i knew the pathway like the back of my hand

**D Dsus2**

i felt the earth beneath my feet

**E A**

sat by the river and it made me complete

Bridge:

**Hm F#m**

oh simple thing where have you gone

**G**

im getting old and i need something to rely on

**Hm F#m**

so tell me when youre gonna let me in

**G**

im getting tired and i need somewhere to begin

**D Dmaj7 E D Dmaj7 E**

Verse:

**D Dsus2**

i came across a fallen tree

**E A**

i felt the branches of it looking at me

**D Dsus2**

is this the place we used to love?

**E A**

is this the place that ive been dreaming of?

Bridge:

**Hm F#m**

oh simple thing where have you gone

**G**

im getting old and i need something to rely on

**Hm F#m**

so tell me when youre gonna let me in

**G**

im getting tired and i need somewhere to begin

Chorus:

**E F#**

so if you have a minute why dont we go

**E** **F#**  
talk about it somewhere only we know

**E** **F#**  
this could be the end of everything

**E**  
so why dont we go

**Hm F# G A**

If there's a chance then I would take it my love  
Cause this desire I won't kill  
So take my heart but please don't break it  
And I would crawl to you back in

**D G D**  
Now I'm tracting but I'm coming

**D A B**  
Please baby please be still

**Hm F# G A**  
Oh no, I'm not coming for the kill  
Oh no, I'm not coming for the kill  
Oh no, I'm not coming for the kill

End on  
**D**
