

All Things Must Die
Jeff Williams

[Intro]

Dm E C#m G

Dm E (2x)

Dm E
Day by day, it s nearer
Dm E
Step by step, you grow
Dm E
Closer to your ruin
Dm E
Soon your time to go
Dm E
Life is just a journey
Dm E
Yours is near its end
Dm E
Bloody evolution
Dm E
This world, transcend
Dm E
Black out the sky
C#m G
All things must die

[Verse 1]

Bm
This is the end!

Here s where you ll die!

Legends have scattered

So just say goodbye!
Bm
No one will miss you

When you re finally gone

At your conclusion

Sing your swan song!

[Pre-Chorus 1]

D
Murder! Unkindness! Conspiracy!
E

Embers extinguished in effigy

[Chorus 1]

Dm **E**
Just close your eyes
C#m **G**
Don't fear demise
Dm **E**
Black out the sky
C#m **G**
All things must die

[Verse 2]

Bm
All tales conclude

All points dissolve

Infinite matter

Will always evolve
Bm
Just pray for mercy

At your time of death

Be glad you existed

Enjoy your last breath!

[Pre-Chorus 2]

D
Gleefully forcing this eulogy
E
Spawn of the turn, it's a treachery!

[Chorus 2]

Dm **E**
Rest now, subside
C#m **G**
With fate, collide
Dm **E**
Black out the sky
C#m **Dm**
All things must die!

[Bridge]

D# **Dm**
It's time to accept, to abide
D# **Gm**
Admit that the hours arrived

Resign
