Jefferson Airplane

 G F C
How do you feel to shoot down your brother now
 G F
And bury us in cages of cement and steel
G F C
How do you feel when you look at one another right now?
 G F
What do you see, tell me how do you feel
G F C
Sing a song for the children that are gone
 G F
Sing a song for Diana
G F C
Huntress of the moon and a lady of the Earth
 G F
Weather woman Diana
G F C
How do you feel as you cut down your children now?
 G F
And leave them dying on the grass in the sun?
G F C
What do you see when you look at one another now?
 G F
Tell me old man, tell me where will you run?
G F C
Sing a song for the children going down
 G F
Remember the ones you knew
G F
Remember what we sang and remember how we danced
