D
I d hate to shoot a baby
G
you ve got a long way to go before you re old & slow
D
and it could be
Am **C** **D**
it could be a good time if you change your mind

G
well I m tired and sweet from making love
D
and it s just too late
C
you ll have to wait
Am **G** **D**
bring your business around here in the morning

G
well I ve heard your line
& you ve heard mine
D **C**
& I m just too tired to take a side
Am **G** **D**
bring your business around here in the morning

Em **F** **G** **Am**
 Don t you want to be easy look there
 F **G** **Am**
 let some of the things you see go on by or
 F **G** **Am**
 you can burn them into your brain go on home
Em **F** **G** **Am**
 Don t you see the children, they re just like you
 F **G** **Am**
 they want everything to be fine but they let it slide
 F **G** **Am**
 and the laughing lets you know that smiling breaks the rules

D **G**
 Oh, Law breaker you know it could be me
 C **D**
 & if you had your way we d all be down
 G **C** **D**
 under the face of a clock that s just too old to be wound
 Am **C** **D**
 & you can see now the old hands won t move around
Em **F**
 one way or the other,
G **C** **D**
