

Lets Get Together
Jefferson Airplane

G

Love is but a song we sing,

F

Hear a way we die.

G

You can make the mountains ring,

F

Hear the angels cry.

G

Tho the dove is on the wing

F

You need not know why.

C

Hey, people now,

D

Smile on your brother.

G

Let me see you get together,

C

D

G

Love one another right now.

G

Some will come and some will go,

F

We shall surely pass.

G

When the wind that left us here,

F

Returns for us at last.

G

We are but a moment s sunlight,

F

Fading on the grass.

C

Hey, people now,

D

Smile on your brother.

G

Let me see you get together,

C

D
